

STUDENT HEALTH CENTER AUTHORIZATION TO CHARGE STUDENT ACCOUNT

Federal Student Aid regulations will not allow American University to automatically use federal student aid in your student account to pay for health center related expenses.

The regulations require the completion of a written authorization that approves the use of federal student aid to pay for health center related expenses billed to your account.

By completing and signing this form, you approve the use of federal student aid to pay for all related charges from the American University Health Center including visit fees, medications, last testing, and missed appointment fees.

I authorize to charge my Student Account for health center expenses

I revoke authorization to charge health center expenses to my Student Account

This authorization will be used only for the 2019-2020 academic year.

I understand if I choose to revoke authorization; I must complete, sign, and submit a new form to AU Student Health Center.

Payment is due at the time service(s) is/are rendered.

Student Printed Name

Student ID

Student Signature

Date
